your
FUTURE.

With the passion for imparting Quality Education for All, Navsahyadri Education Society, Pune took a planned plunge into the education sphere by establishing a Technical Campus from the Academic Year 2010-11. As of now the Society has all the colleges/ institutes in the Campus duly approved by the AICTE/PCI, New Delhi, recognized by Government of Maharashtra / DTE and affiliated to the Savitribai Phule Pune University (SPPU) / BATU /MSBTE . Our educational Campus houses MBA, Engineering - Degree & Diploma, Pharmacy- B. Pharm., D. Pharm., M. Pharm., Jr. College and the School.

NGI is located in Nasrapur, off Pune- Bangalore Highway with state of art infrastructure and beautiful surroundings. This key location helps us to stay connected with our Industry Partners.

About us:

The Navsahyadri Group of institutions has been established in the year 2010 with a vision to provide quality education to all merit holders. It is a rapidly growing institute under the umbrella of Navsahyadri Education Society Located in Sahaydri ranges with scenic beauty at Naigaon, Nasrapur Pune. The Campus is accredited with "A" grade by NAAC. The focus is on academics, research & innovation and to train the students for the best placement opportunities as well as to prepare them for other career options. As a part of academics we observe strict discipline in students attendance, teaching and regular assessment of students. The university results are among top 5 in SPPU. In research and innovation, we stand at top with 50+ patents and 300+ copyrights filed within 14 years. Our students also participate in co-curricular & extracurricular activities like BAJAJ, Go Kart, Robocon, TIFAN, Purushottam Karandak, Firodiya Karandak, Dajikaka Gadgil Karandak, etc.

President's Desk

Shri. P. N. Suke

(Founder President, Navsahyadri Education Society)

The entire globe today is witnessing and experiencing the mind boggling Scientific and Technological developments like artificial intelligence, internet, web management on one hand and total chaos, confusion, clashes, conflicts, terrorism, bloodshed and massacre in the name of caste, creed or religion on the other hand. Disregard for ethical, social, moral, cultural and ecological values is deeply rooted in the 'indifferent' and 'I don't care' culture. The youth of today believes in revolt and action rather than patience and tolerance. In midst of this challenging environment, in order to promote good character building among the young generation, Navsahyadri group of Institutions strictly follows the ethos of value-based education.

Mr. Sagar P. Suke

(Group Director, Navsahyadri Education Society)

Director's Desk

Navsahyadri Group of Institutions, promotes excellence in Higher Education to meet national & global challenges, towards accomplishing its mission of nation building crafted by our founder President. The NGI in pursuance of the unique and pioneering approach of providing world quality multidisciplinary education offered at one campus, presents opportunity of holistic development to the students in preparing them to meet challenges of dynamically changing technical and social environment and finding right and timely solutions.

VISION

To empower students with holistic & professional capabilities to get employment (inclusive of self employment) to 100% pass outs/ graduates through collaborative & field based training system.

MISSION

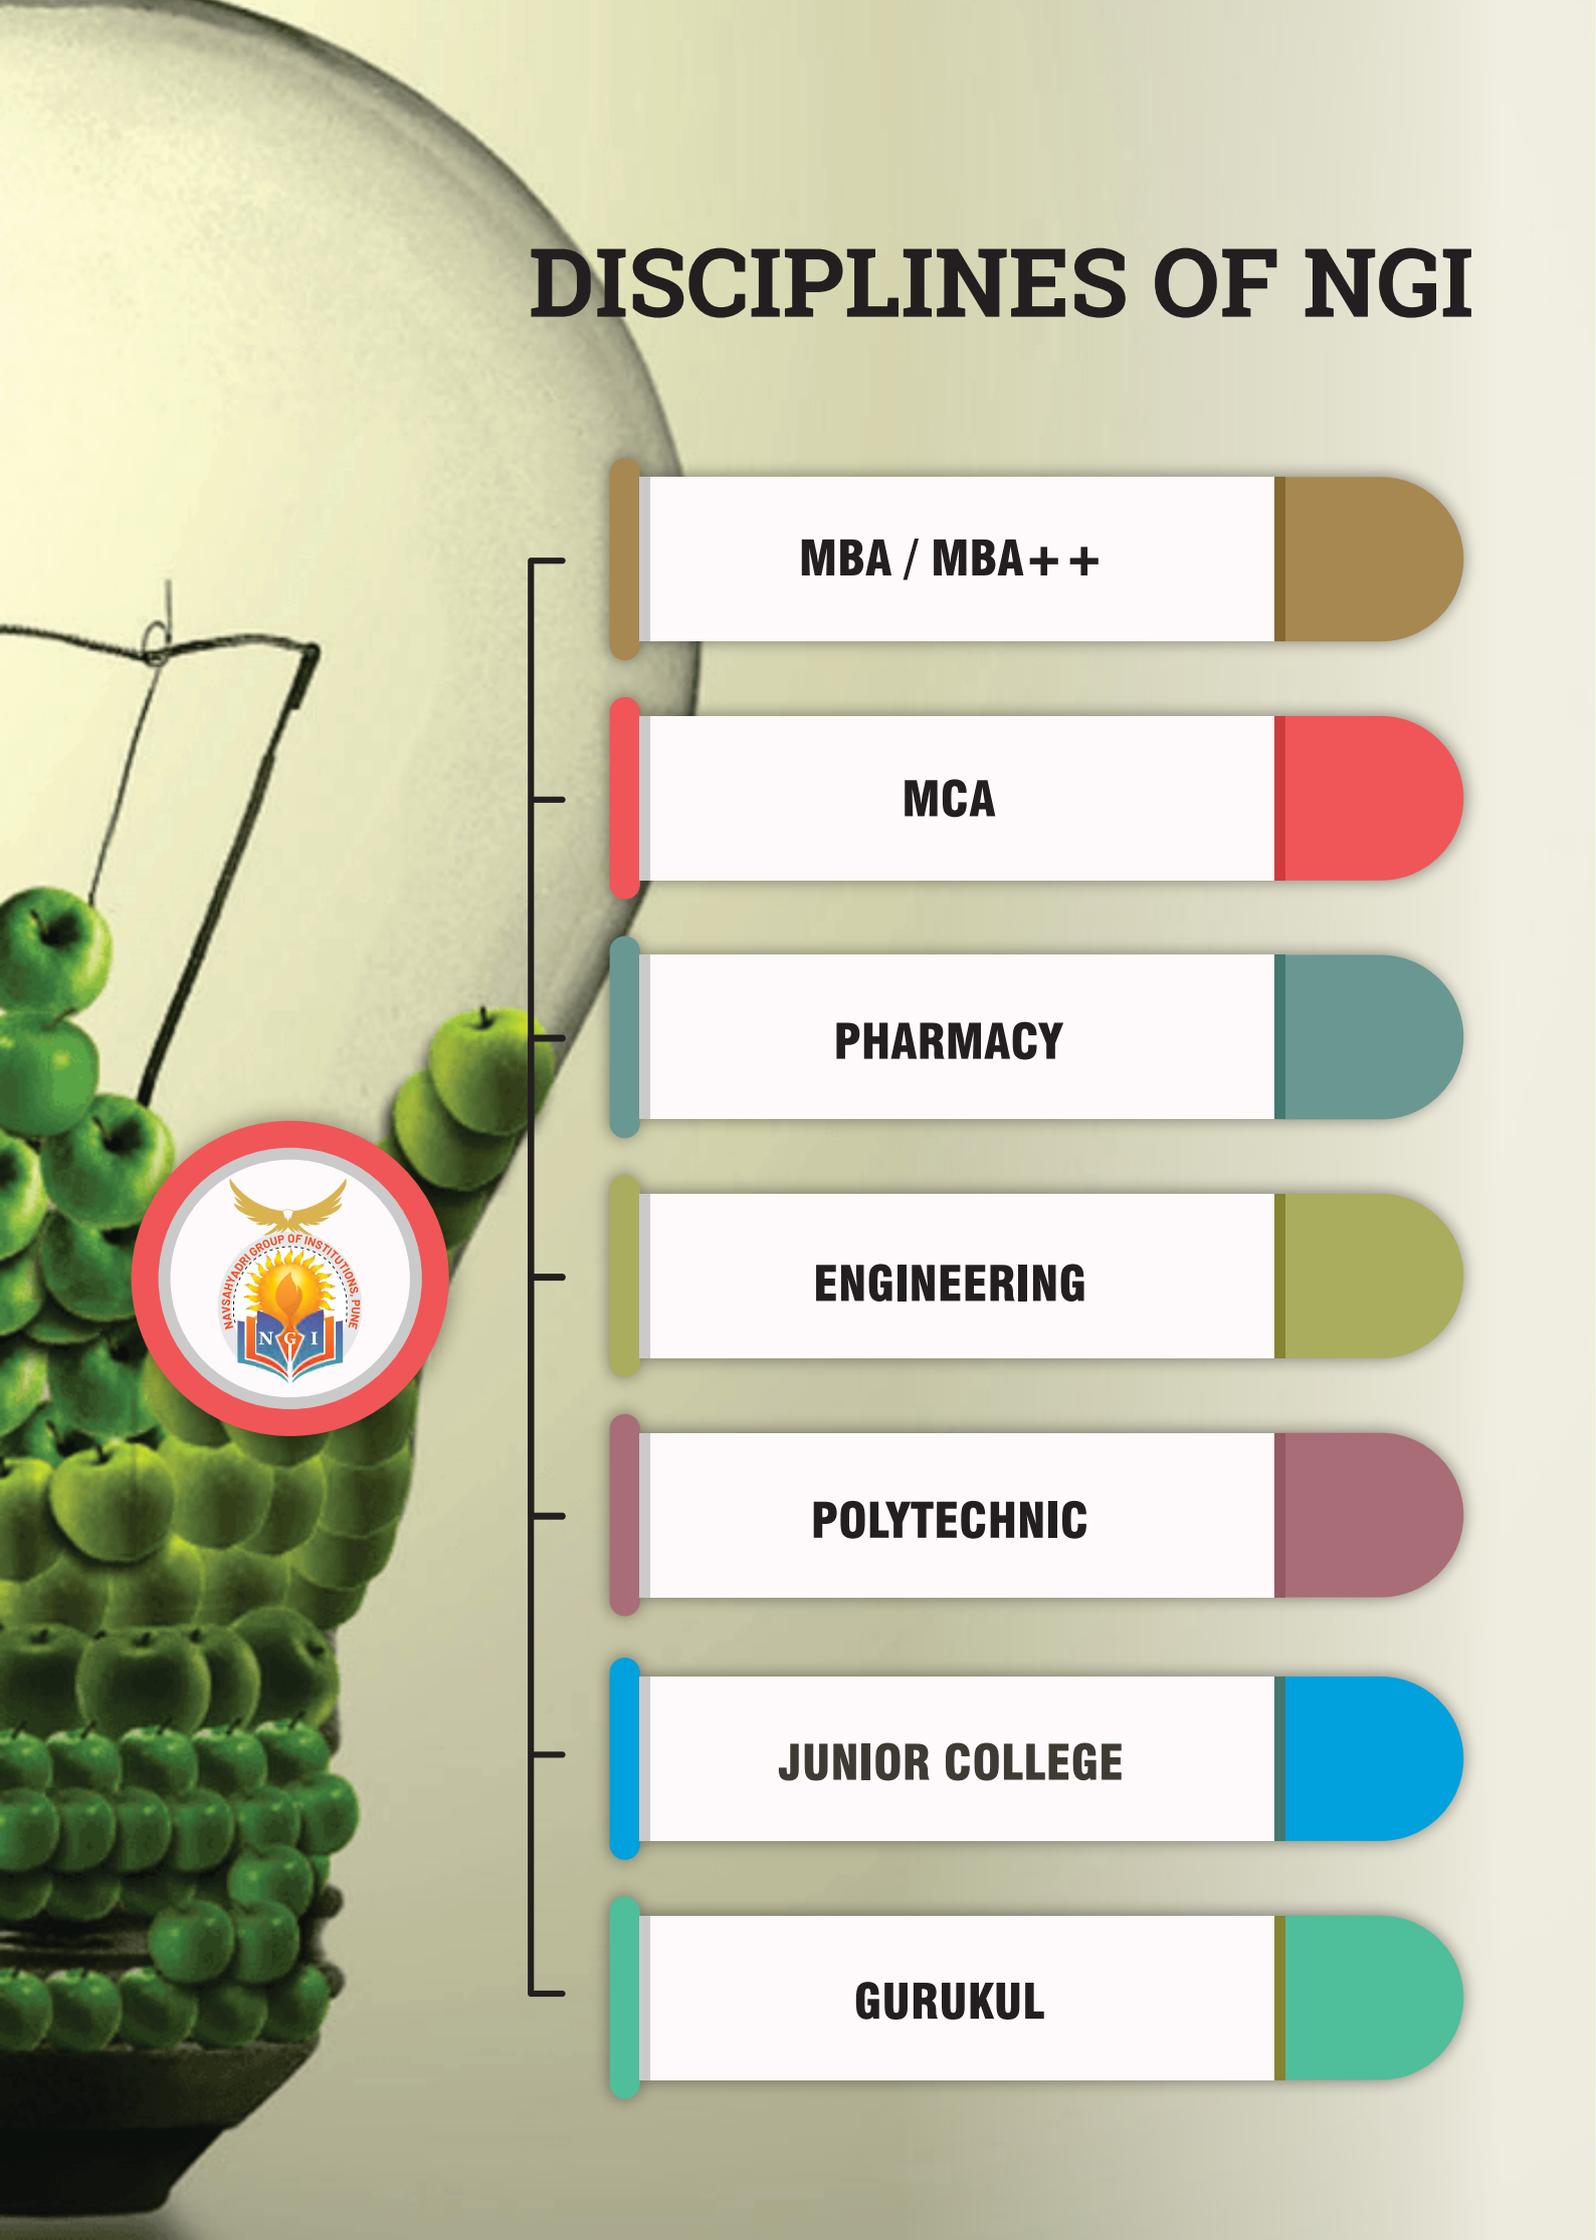

To offer education & training for development of competencies & prepare professionals for successful employment & capabilities to deal with professional & social life by adopting student centric education system.

QUALITY POLICY

To provide a platform for holistic development of students with intellect and knowledge along with positive perspective.

 - Students are encouraged to participate various intercollegiate competitions like VIGOR, VERVE, and PHARMAQUIZ etc. College has a good reputation in DBATU University about the success of our students in the above mentioned events.
 - The students are also encouraged to participate in various National conferences for Oral and Poster presentations.
 - Besides the regular seminars, workshops and allied academic schedule, the college invites guest faculty from the industry and healthcare services to share their views and experiences with students.

Pharmacy?

D. Pharmacy - Duration - 2 Yrs. | Intake – 60

B. Pharmacy - Duration - 4 Yrs. | Intake - 100 DTE CODE – 6905

M. Pharmacy Duration – 2 yrs. | Intake 30 Specialization in 1. Pharmacology, 2. Pharmaceutics

Master of Pharmacy

Master of Pharmacy (M.Pharm) is a Postgraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of their graduation in Pharmacy (B.Pharm). We at Navsahyadri offer two specialization in master degree. Pharmaceutics and Pharmacology.

Bachelor of Pharmacy

Bachelor of Pharmacy (B.Pharm) is an undergraduate degree course in the field of Pharmacy education. The students who are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th (PCM/B). After the completion of this degree, the students can practice as a Pharmacist. Pharmacists can work in a range of industries related to the prescription, manufacturing & provision of medicines. The duration of this course is 4 years.

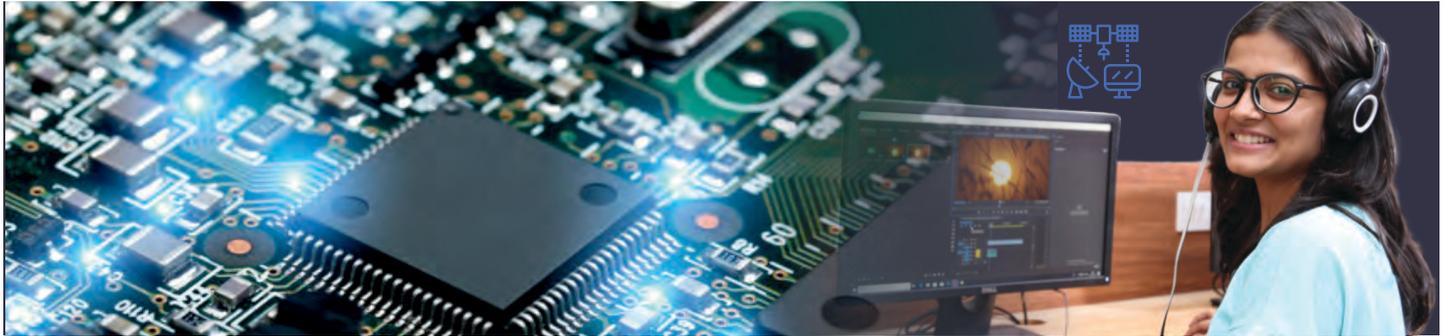

The B.Pharm is one of the popular job oriented course among the science students after class 12th. In this course the students study about the drugs and medicines, Pharmaceutical Engineering, Medicinal Chemistry etc. This course provides a large no. of job opportunities in both the public and private sector.

Diploma in Pharmacy

There has never been a more exciting time to consider a career in pharmacy. The profession is experiencing a period of unprecedented progress and development. The skills of pharmacists have never been in greater demand and to deliver the latest, cutting-edge treatments and medicines to millions of patients every day.

Department of Computer Engineering

Degree Choice Code - 663224510 Duration - 4 Yrs. | Intake - 90

Diploma Choice Code – 663224510 Duration - 3 Yrs. | Intake – 120

Computer Engineering is a discipline that integrates several fields of electrical engineering and computer science required to develop computer hardware and software. Computer Engineers usually have training in Electronic Engineering (or Electrical Engineering), software design and hardware software integration instead of only software engineering or electrical engineering.

Department of AI / ML Engineering & Information Technology (IT)

Degree Choice Code – 663292110 Duration - 4 Yrs. | Intake – 60 (AI/ML)

Diploma Choice Code 663224610 Duration - 3Yrs. | Intake - 60 (IT)

India is rising and shining bright when it comes to adopting new and emerging technologies. Enterprises from almost all major industry verticals are hiring AI and data science experts to help them garner actionable insights from big data. The analytics sector has witnessed a sharp increase in demand for highly-skilled professionals who understand both the business world as well as the tech world. Organizations today are on a constant lookout for such professionals who can fill this ever-growing dearth in talent.

Department of Electronic & Telecommunication (E&TC) Engineering:

Degree Choice Code - 663237210 Duration - 4 Yrs. | Intake - 30

Electronics and Telecommunication Engineering is a field that involves complex electronic apparatus, circuits and equipment's that help in executing speedy and efficient telecommunication systems.

Department of Mechanical Engineering

Degree Choice Code - 663261210 Duration - 4 Yrs. | Intake - 60

Diploma Choice Code - 663261210 Duration - 3 Yrs. | Intake - 60

Mechanical Engineering is the discipline that applies the principles of engineering, Physics and material science for the design, analysis, manufacturing and maintenance of mechanical system. It is the branch of engineering that involves the design, production and operation of machinery. It is one of the oldest and broadest of the engineering disciplines.

Department of Civil Engineering

Degree Choice Code – 663219110 Duration - 4 Yrs. | Intake - 30

Diploma Choice Code - 663219110 Duration - 3 Yrs. | Intake – 60

Civil Engineering is a professional engineering discipline that deals with the design, construction and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams and buildings. Civil engineering is the second-oldest engineering discipline after military engineering.

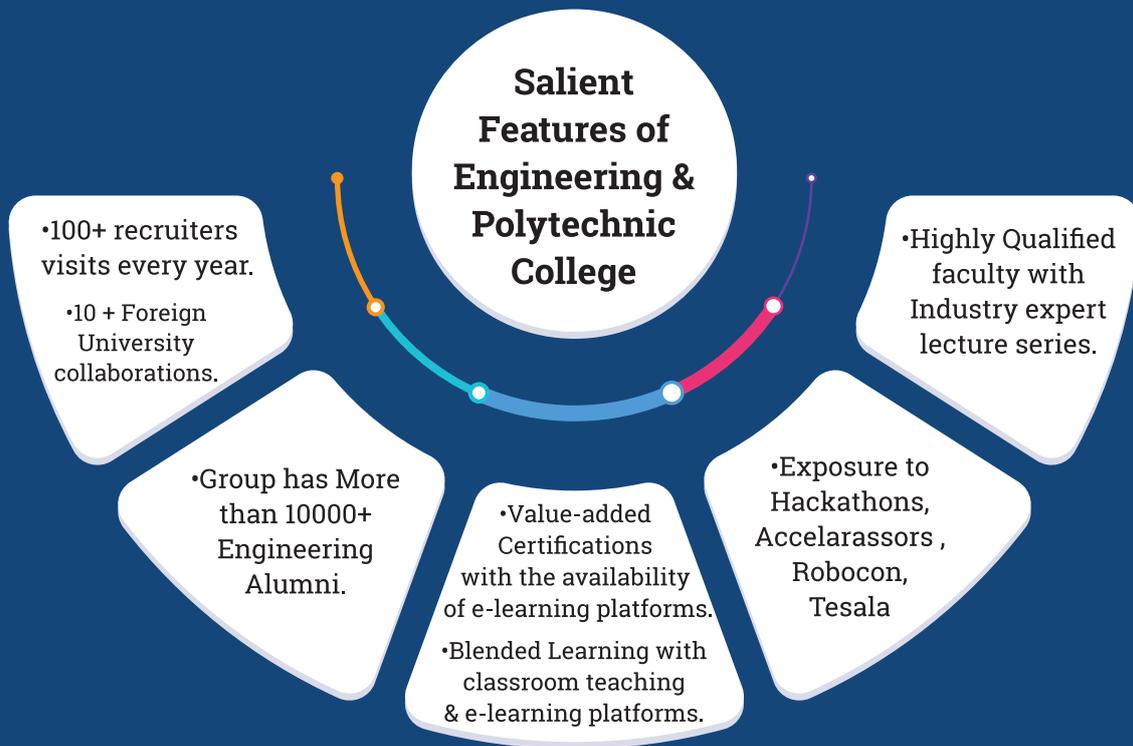

Department of Electrical Engineering:

Degree Choice Code – 663229310 Duration - 4 Yrs. | Intake - 30

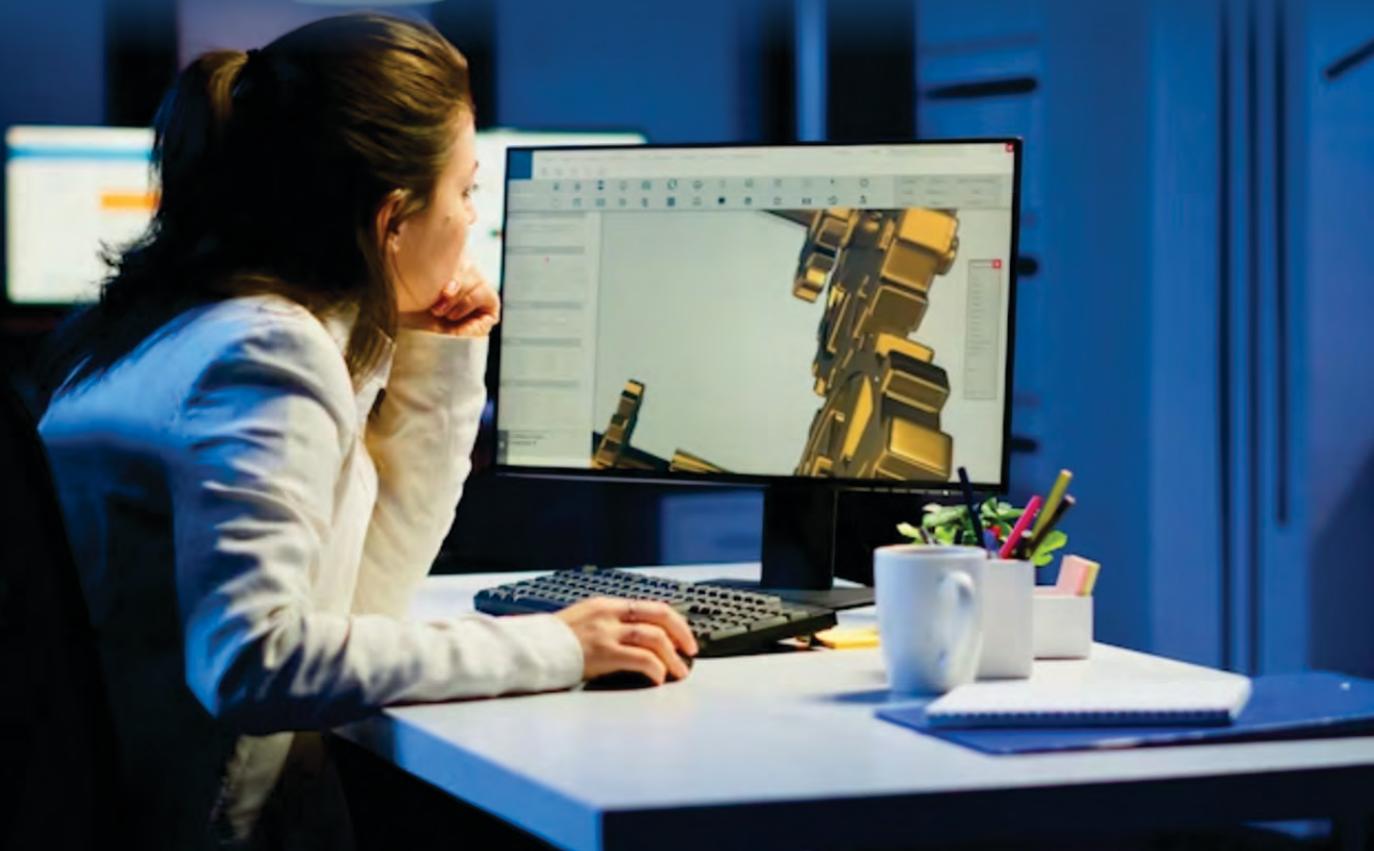

Diploma Choice Code - 663229310 Duration – 3 Yrs. | Intake - 60

Electrical Engineering is a field of engineering that generally deals with the study and application of electricity, electronics and electromagnetism. This field first became an identifiable occupation in the latter half of the 19th century after commercialization of the electric telegraph, the telephone and electric power distribution and use.

Digital/Virtual Classroom

- Case study of each student to follow Proactive path
- Online MHT-CET/JEE/NEET Test Series
- Doubt Solving Sessions
- Daily ,weekly, fortnightly, monthly Tests
- Parent Interaction Program after every two months

**MOST TRUSTED BRAND FOR
IIT-JEE/NEET/ MHT-CET/BOARD with Perfect Academic Preparation**

Navsahyadri Gurukul

At Navsahyadri Gurukul School, we have undertaken a massive task of creating India's future ready children - our national wealth. Here, our scholars learn and grow in their personality and their knowledge over the years. We are a very unique group of MSBSHSE affiliated schools, where children do not carry school bags to school, have "special" classrooms per subject, and play sports daily! Our primary focus is on teaching our students how to think instead of what to think. Our unique features and our learning system help us create an enriching and vibrant environment to keep our scholars curious and energetic for the entire school day. Our scholars look forward to every day at school, and our parents are just happy! We are affiliated to MSBSHSE. big we grow, your child gets all the personal attention of our awesome teachers in every school. And that is what matters, right? We become a family, you, the students and all of us at Navsahyadri Gurukul. So come, look around, and be a part of the Navsahyadri Gurukul family and let's give our diamonds in the rough the edge to shine and take on the world.

A Place where every learner is a Leader.....

We are a team of self-motivated, highly dedicated professionals with an unwavering commitment and a single-minded focus on empowering our students to achieve their goals. We are committed to quality, result orientation, and student satisfaction.
